

National Vaccine Forum

24 NOV 2021 | 6-9:30 PM AEDT

VACCINE CONFIDENCE

COVID-19 AND BEYOND

Online event hosted by Dr Jen Martin

Think you're all vaccinated out? Think again.

- *Body language expert, Steve van Aperen helps you read vaccine hesitancy*
- *Dr Jessica Kaufman updates you on COVID-19 vaccination in under 12s*
- *And much more - see full program at nationalvaccineforum.com.au*

Each year, the National Vaccine Forum brings together Australia's primary healthcare providers for a dynamic and engaging discussion on the current challenges and possibilities surrounding vaccines in Australia.

Spaces are limited, be sure to register today.
